We are authorized to announce
J. W. PERRY
as a candidate for Magistrate in
Peach Orchard, Rockcastle and Dob-
bels precinct, on the Prohibition ticket.

A vote for Watson is a vote for
development.

Forty thousand people gathered at
Mobile, Ala., to hear President Roose-
velt speak.

Secretary Taft announces that the
Panama Canal will be built by pri-
vate contractors as far as possible.

Simpson for Assessor will make a
good, prompt officer. He is full of
energy and deserves your support.

A correspondent of a neighboring
paper speaks of the disagreeable
"weather" prevailing in his vicinity.
We had just as bad a spell here.

"Jack Frost has about settled Yel-
low Jack, and the doctors are shout-
ing 'Behold what we have done!'
It's another case of 'we killed the
bar.'"

Without specifying the various can-
didates it may well be said that on
the whole you will do the best thing
by voting for the candidates whose
names appear at the head of this
column.

A motion for affirmance was made
in the case of James Harris vs. Mrs.
James B. Marcum, wherein Mrs. Mar-
cum was given \$10,000 damages for
the murder of her husband. Appel-
lant was given five days to reply.

The Shoe and Leather Reporter says
that never in the history of the
leather trade have hides been so
high.

It forgets the time the cow jumped
over the moon.

President Roosevelt's statement
that the South must and can solve
existing difficulties is believed to
settle definitely that he will not
give his approval to any measure to
reduce Southern representation in
Congress.

Ever notice the pictures in the
papers of the couple just been or
about to be married, and ob-
serve how small and insignificant
"he" looks, stuck off down in the
right hand corner at the bottom?
Well, that's about the size he will
be in the new firm.

Hon. L. F. Zerfoss, candidate for
Representative, was in Louisville this
week meeting the voters. We have
known him personally and somewhat
intimately for four years, and can

say that he is an able, honorable,
sober, moral gentleman and would
make an 'ideal Representative.

It will be love's labor lost to vote
for and elect any man to office which
requires a heavy bond, and then to
find out that he can not give it.
The bonding companies will give you
the lay stare when you ask them for
bond, and other people will not fall
over each other in their haste to go
to your aid.

The superintendent of the Arkansas
Flat Springs reservation recom-
mends direct government control to
eliminate the spirit of commercial-
ism and produce the best results.
In other words the government is
asked to make the springs a health
resort and not a place devoted to
robbers, professional and otherwise.

Railroad men are, as a rule, pri-
vately tolerably clamorous. That is, they
are quite apt—and properly so—to
oppose the cause of one of their
fellows in trouble or who has been
injured or threatened. This must
remind you of the fact that to a
man they are for John Burns for
Sheriff. Ask the train men if this
is not so, and ask them why.

"Well, Henry Watterson is clearly
right about Theodore Roosevelt,"
said a prominent Democrat. "What
other position could he take under
the circumstances? Roosevelt is go-
ing through the South preaching
Democratic doctrines and brotherly
love, and how could Watterson or
any other other Democrat throw
stones at him? Of course I think that
Roosevelt will fall down before his
term expires, but so long as he
stands up there is not anything for
Democrats to do but give him a loyal
and sincere support."

RUSSELLVILLE.

Our entire community was greatly
shocked at the news of the death
of F. H. Branham. We all knew him
personally, well and favorably, and
join the bereaved family in their
grief, and extend our sympathy.
The Sunday School Convention for
the Louisville Magisterial District will
be held here on the 11th of next
month. All are invited.

Married last Sunday, at the home
of John Prince, Mr. Melville Carter,
age 20, to Miss Myrtle Prince, 21,
daughters of the Peace, J. M. Berry,
officializing.

In the social whirl of life our
village takes no back seat, since we
have "parties" galore.

Uncle Joe Hutchison, of Midges-
port at the day last Tuesday, with friends
very close here.

We are all exceedingly glad of
the return of Jasper Roberts, from
a trip to the distant West. He re-
ports a glowing West.

Miss Manie Jones, of Louisville, has
been the guest of Miss Ethel Thomp-
son, of Evergreen, but returned home
Monday.

Rev. Hagan, the new pastor of the
M. E. Church, filled the pulpit here
two Sundays ago, assisted by Rev.
L. C. Talbot, of the M. E. Church,
South.

O. M. Freely, who has been living
here for the past year, moved to his
old home near Saturdaysville, last
week.

Felix Pigg, of Tipton, who is our
collier, has moved into the Free-
Picked property, and will remain
quite a while, as his duties in the
mine keep him constantly engaged.
Miss Alta Pigg, daughter of Fred-
rick Pigg, who has typhoid fever, is
somewhat better.

E. R. Bussey's new plowing ma-
chine has arrived and will soon be
ready for action. This will be of
great benefit to the community, as
it is a thing most needed.

Our farmers are busy gathering
corn, digging potatoes, and making
sorghum, all of which are giving a
fine yield.

Lewis Thompson is in the State of
Ohio, visiting his brother, W. K.
Thompson, who has not been here
for several years.

Medley Thompson is on a business
trip to Louisville. We judge "Pip"
will form his acquaintance while there.

We regret to mention the death
of Miss Beale Hale, one of our
neighboring girls.

Our people are well pleased with
the awarding of prizes at the Fair,
as a goodly supply came this way,
chief of which was the award in
Luther Pigg on the horse, which will
take the premium at any fair when
surrounded by such evidence of fine
stock as was shown by Mr. Lindsey
Lester, of Cal.

A word for John Burns. We have
known him since his childhood. He
is a true, honest, industrious, and
fast, but not least, a sober man, and
the people need not have any fears
as to the office of Sheriff in his
hands. A safer man can't be found
anywhere for sheriff than John Burns.
His election will insure safety of
the county's money.

Blackskin Boss.

The Old Valley Improvement As-
sociation will meet in Cairo, Illinois,
Nov. 13, 16, and 17. The work of the
convention and its platform is the
broad one of public improvement, one
on which all can stand, and we call
the attention of our readers to the im-
portance of this convention to the re-
sidents of the Valley of the Ohio.
There will be reduced rates on rail-
roads and steamboats, and it is earnestly
desired that there be attendance
from the valley of the Big
Sandy.

There is a wide difference between
innocent fun and vandalism, between
harmless pranks and malicious mis-
chief. Next Tuesday night will be
Halloween, and we hope that all who
are imbed upon celebrating the oc-
casion will keep in mind the distinc-
tion noted. No one objects to a
"good time," so long as no one is
injured thereby, but destruction or
defacement of property should not be
committed and should not be allowed
to pass. We hope that the boys will
be in mind.

OUR NEIGHBORS.

The case of Justice vs. Ritter Lum-
ber Co., Pike, in the Court of Ap-
peals was affirmed.

The case of F. H. Yates vs. the
Big Sandy Railroad company, taken
to the Court of Appeals from the
Johnson Circuit Court, has been re-
versed and remanded for trial on its
merits.

A fine vein of natural cement has
been discovered near Stanton, flow-
ing out of the earth in the form of
the finest quality. This field covers be-
tween fifty and seventy-five acres
and lies only six inches under the sur-
face. In thickness, the cement aver-
ages twelve feet.

Criminal Judge Matthews, of Huns-
ington, has ordered the body of Col.
Wm. Simon, disinterred and taken
back to Huntington for examination.
It was reported that he dropped dead,
but evidence has come to light which
shows that he may have been murder-
ed. Col. Simon was a citizen of
Wayne county.

Lexington, Ky., Oct. 22. Four men
are now in the Lexington jail under
sentence of death. All of them are
negroes, and three convicted for the
murder of William Moore, a white-
man, about a year ago, and the fourth
is Jim Russell, found guilty of as-
saulting two white women in the sub-
urbs of this city last spring. All of
their cases are before the Court of
Appeals.

Samuel Turman, charged with al-
lured pension fraud, was found guilty
by a jury in the Federal Court.
Attorney O'Neal, for Turman, made
one of his brilliant arguments before
the jury, as did Federal Prosecutor
Thurley. When taken to jail Turman
broke down and cried. He is a mem-
ber of the "Mule" organization. At-
torney O'Neal filed a motion for a
new trial, and in case it is not granted
he will take it to the United
States Circuit Court of Appeals, Ash-
land Independent.

The NEWS learns that the punish-
ment inflicted by the court was a
heavy fine.

A distinguished party of gentlemen,
including Messrs. E. F. Johnson,
Pikeville, Eugene Zimmerman, Cin-
cinnati, W. H. Miller and V. E. Hodge,
Messrs. S. V. J. C. Mayo, Raines-
ville, and C. R. Hill, Winchester,
held a meeting in the law office of
Hager & Stewart, in this city, Tues-
day morning, in the interest of the
Kentucky and Ohio Bridge Company.
Among other important matters dis-
cussed, it was decided to increase
the capital stock from \$200,000 to
\$250,000. They also voted to con-
solidate with the Inter-State Bridge
Company, a corporation under the
laws of Ohio.

The new bridge across the Ohio
river between this city and Ironton,
now in course of construction, has
started an early record as a means
to navigation.

The Louisville Ironworks, belonging
to the Pittsburgh combine, was pass-
ing down the river at an early hour
this morning, with a big coal load
in the stiff current, a heavy fog and
the fact that the new bridge party
had been high since the Ironworks
had last made a trip alone here,
the boat ran her bow into one of
the piers.

As a result of the collision four
barrels of coal were sunk, right in
the channel, which will be a grave
boycott to navigation as soon as
the present rise begins to recede.
Ashland Independent.

The escape of George Warner from
the Indiana Asylum, under sen-
tence of death recalls the case of
Thomas Buford, who killed Judge
John M. Elliott, of the Court of Ap-
peals. If apprehended in another
State there will be no difficulty in
securing extradition for him. Col.
Thomas Buford, who killed Judge El-
liott and had been found in-
sane and sent to the asylum.

We regret to mention the death
of Warner, Col. Buford was found in-
sane at his trial for the crime. He
later escaped from the asylum, and
the State was powerless to extradi-
te him from Indiana because there
was no extradition law for lunatics.
Warner, however, is residing under a
penalty fine for murder, and the
insanity finding against him acted
merely as a stay of execution.

ing and to a great extent loss of

proved.—J. W. Hutchinson, Army at

A FACT ABOUT THE "BLUES"

What is known as the "Blues" is
seldom occasioned by actual exist-
ing external conditions, but in the
great majority of cases by a disor-
dered liver.

THIS IS A FACT
which may be demon-
strated by trying a course of

Tutt's Pills

They control and regulate the liver.
They bring hope and buoyancy to the
mind. They bring health and elasticity
to the body.

The biggest crowd that has been
in Webbville for twelve months was
here Saturday to meet Squire Par-
kins, who came home. It was like
a big reunion.

The Willard bank was broken into
Friday night and dynamited. The
people were aroused and the men left
their coats and boots. Bloodstains
are on the trail.

Writer was at Will Cole's at Month
of Garner and spent the day Judge
Strother, of Grayson, and daughter,
Mrs. Phil Davis, were there and made
it a very pleasant occasion. He had
charge of a store in Louisville for his
father, F. Moore, in 1832 and he has
much to say of the kindness of my
parents to him.

The Messrs. Morris, of Green creek,
were here a few days ago returning
from Ohio, where they have been for
three months. Also, James and the
late Griffith, of Cherokee, who have
been there at work.

son officiating.

George Holder and Leel Webb

here from Cherokee on their way to
Ashland.

Mrs. Phil Osborn, of Blaine, was

visit Mrs. Gambill.

turning from Cincinnati.

Miss Harriet Leach, teacher of de-
votion in the Kentucky Normal Col-
lege, at Prestonsburg, was in Louisa
Wednesday for the purpose of giving
a recital, but on account of the in-
convenience of the weather she did
not appear. Another date will be
announced later, when it is hoped
the weather will be more favorable.
Miss Leach is most highly recom-
mended.

The death of Mrs. Nell Frazier, of
Crossville, Tenn., occurred last week
was very sudden. She seemed in her
usual good health and ate a hearty
supper, but about an hour afterward
she was dead. Mrs. Frazier was a
worthy and highly respected woman.
She leaves a husband and a large
family of children, all of whom but
two are married.

Garfield Moore was excused from
services on the grand jury yesterday
because of illness in his family,
which called him home. One of his
children has pneumonia and a little
son was born to his wife yesterday
morning.

To the Voters.

In view of some reports that are
being circulated for the purpose of
injuring me in my race for Sheriff
I wish to state that if elected I
shall appoint good deputies in var-
ious parts of the county sufficient
to do the work and so located as
to be convenient for the people. I
certainly have no desire to adopt
any plan that would give the peo-
ple cause for complaint. Instead of
that, it is my intention of elected
to show my appreciation of the peo-
ple's power by doing everything in
my power to serve them faithfully
and satisfactorily. I want to be the
Sheriff for the whole people, treat-
ing all alike, regardless of politics.
It would be my aim to so serve the
county that every citizen would look
upon my administration with favor
throughout the future.

As stated before, I should appoint
satisfactory deputies. But I will say
frankly that I am guarding against
promising more deputies than I
would be possible to appoint. I
would rather give more than I prom-
ise than to give less.

Thanking all who have so kindly
pledged me their support and sol-
iciting the same from others, I re-
main, very respectfully,

JOHN T. BURNS

WATCH REPAIRING

"THE BIG STORE"

This Little Talk is

FOR YOU TO READ.

Extremes meet at this store. There is no mode too rich or superb too dainty or ethereal to be shown among our stocks. So that woman who wishes the exclusive and distinctive in garments and FABRICS need look no farther than our cases, counters and show rooms.

With special reference to our READY MADE GARMENT DEPARTMENTS there is no article or fabric of convenience, of utility of every-day old fashioned stoutness and dependability that will be missed here. So the woman of careful customs she who watches the out-put and the in-bringing of every penny, will be particularly pleased when she sees what promise of ECONOMY this store holds for her.

Circular racks are filled with NEW FALL JACKETETS and LONG COATS. Straight racks display an elegant showing of COAT SUITS—Shirts hang in a super abundance of richness and beauty from crowded display forms while FURs delightfully represent a resource source of great warmth. We are never too hurried to show you all you wish to see, to answer all your questions—the fact that you come to look, to examine and price, does not make it necessary for you to purchase in a hurry.

AND YOU WILL BEY, for no matter what you want, you will find it here—and it in your size, in the quality you desire, AND AT THE PRICE YOU FEEL LIKE PAYING.

Tip Moore, of Webbville, attorney
at law passed through here en route
to Louisville Sunday.

William Woods, our Rt and next
County Judge, accompanied by En-
cle M. Hays, our present and future
Jailer was through here one day last
week.

Say, what about the Republican
candidates, anyhow? Are there any?
I have not seen but the one, and he
was a little fellow that was here
and he wanted to run against
Mrs. Mackey for Superintendent of
Schools. Now hear this! Humph!
Pshaw, fiddle sticks! I'll be slapped
if it didn't tickle me right well to
hear him try to electioneer against a
lady. It seems to me that a stout
young man had better give a widow
woman something than to try to take
from her something in the way of
aid that she really ought to have.

Dunlap Waldeck and wife of Louisa
were visiting relatives here Saturday
and Sunday.

Miss Ida Cooksey, of Oliveville, is

streets a few days ago when P. S.
Marshall T. S. Salyer noticed John
Carter, a young son of Wm. Carter,
that he had a warrant for his arrest
for assaulting the boy's father.
The father then and the boy's father
arrested him and carried him to his
pocket and made several threats
against the Marshall, and ran to a
hardware store. Salyer arrested him
and took him before the P. S. Mar-

Unhappy Women!

No woman can be happy when her health is undermined. No woman can have good health while she suffers from female weakness, inflammation, ulceration or any disease of the delicate womanly organs. Nervous, sleepless, fretful, suffering in body and mind, she does not live but only exists.

More than a half a million such women have found a perfect and permanent cure for their diseased condition in the use of Dr. Pierce's Favorite Prescription. Women cured by this remedy say it is a "wonderful medicine," so perfectly does it restore them to health and comeliness.

There is no alcohol in "Favorite Prescription," neither does it contain opium, cocaine, nor any other harmful drug. It is in the strictest sense, an honest, temperance medicine. Its ingredients are purely vegetable, and it will agree with the most delicate constitution.

Don't be hypnotized, or over-pressed, into accepting a substitute. This medicine has a record that will carry more than any difference in price. Sick and ailing women are invited to consult Dr. Pierce, either personally or by letter, absolutely without charge or fee, thus avoiding the expense of physicians, offensive examinations and obnoxious local treatments considered necessary by many local practitioners. All correspondence treated as strictly private and confidential. Write without fear and without fee to Dr. R. V. Pierce, 603 Main Street, Buffalo, N. Y.

These tiny sugar-coated pills regulate the bowels, cure constipation and lead to health. One or two for laxative, three or four for cathartic.

This great family doctor book gives a receipt of 21 different postage stamps to cover cost of mailing or, in lieu of cash, 31 stamps. Address Dr. R. V. Pierce, 603 Main Street, Buffalo, N. Y.

OUR NEIGHBORS.

John Sowards, of Pikeville, was appointed Grand Marshal of the Masonic Grand Lodge.

Charles Curry, the popular salesman of Biggs, Watts & Co., of Huntington, well known here, is ill with typhoid fever at the house of his mother at Hopewell.

W. J. Vaughan, of Lawrence county, is in Carter this week, looking after Sunday School work.

He is field worker for the Kentucky Sunday School Association, and is organizing each magisterial district in his territory, into an association. Mr. Vaughan has proven himself to be a worker. When he was elected, ten years ago, organizer in Lawrence county, they had twelve Sunday Schools and 200 scholars, and now there are 55 schools and 3,400 attendants.—Bugle-Herald.

The body of the man who was killed by a C. & O. train near Clayfield, on Thursday morning, has been identified as Michael Gallagher, Ashland, who resided on 29th street, and Carter avenue, with his brother, Thomas Gallagher, and sister, Miss Margaret Gallagher. He left home about 6 o'clock on Thursday morning, to visit a sister, at England Hill, near Clayfield, and when he failed to return at the expected time inquiries were made that led his family to believe the man killed by the train might be his brother. At the request of Thos. Gallagher, Undertaker T. H. Hurlington, disinterred the body, which was positively identified by Mr. Gallagher and a number of others, as being Michael Gallagher.

Danville, Ky., Oct. 21.—The Republicans of this Senatorial district met last night and nominated Hood Worthington, a Boyle county farmer, for the State Senate. Worthington is an erstwhile Democrat. Hubble, of Lincoln, is the Democratic opponent.

About four o'clock on Tuesday evening the jury rendered a verdict in the case of John and Will Keedee charged with the killing of Jay Mead at Naugatuck, some months ago. The jury was out about 30 minutes and rendered a verdict of not guilty. Mingo Republican.

The so-called Prohibition party of Pike county met at the school-house on Pond creek (River Pond) and nominated a county ticket. The famous unwarmed, uncouth and unknown Tom Hawkins, of Legislative fame, is supposed to be the "daddy" of this movement. We understand the ticket is part Republican and part Democratic.—Pike item.

The Boone County Recorder says of the skirmish for United States Senator:

"The skirmishing in the fight for the Democratic nomination for U. S. Senator to succeed Senator F. L. Burn is about over, and the skirmishers are scattered."

The Better Way

The tissues of the throat are inflamed and irritated; you cough, and there is more irritation—more coughing. You take a cough mixture and it eases the irritation—for a while. You take

SCOTT'S EMULSION

and it cures the cold. That's what is necessary. It soothes the throat because it reduces the irritation; cures the cold because it drives out the inflammation; builds up the weakened tissues because it nourishes them back to their natural strength. That's how Scott's Emulsion deals with a sore throat, a cough, a cold, or bronchitis.

"My Sons,"

said a great business man, "are my partners and they need all the strength and courage I can give them," and he forthwith paid for a \$1,000,000 policy in The Mutual Life Insurance Company of New York. Not without the most careful investigation, however, extending over six months. He was convinced by just such facts as led the President of a National Bank in New York to make the curious and shrewd provision in his will, which is contained in "A Banker's Will." Write for it and also for the account of the \$1,000,000 policy, "The Largest Annual Premiums."

This company ranks first in Assets, first in Amount Paid Policyholders, first in Age.

Help a Child to Find a Home.

The Kentucky Children's Home Society has grown to be one of the greatest child saving agencies in America. The success of the work is due to the good people of our State who have opened their hearts and homes to the homeless, destitute children under our care.

Shy or ardent, bright, sweet children are sent to us each month and it is necessary in order to provide for our neglected little ones to find good homes for the children now under our care.

Have you a child in your home? If you have do you not think you could take another little one to raise and rear into good citizen? Will you not help us by giving a home or finding a home for a child of any age from infancy to girls and boys of twelve years of age?

The Master said, "In much as ye have done to one of the least of these, ye have done unto me."

If you are interested in the work, write for particulars to George L. Sehon, State Sup., Room 315 Masonic Bldg., Louisville, Ky.
